MATHESH T

CYBERSECURITY & NETWORK SECURITY | SOC • VAPT • DIGITAL FORENSICS

+91 9629458096 | matheshrmd@gmail.com | Ramanathapuram, Tamil Nadu, India

LinkedIn | GitHub

PROFESSIONAL PROFILE

Entry-level cybersecurity candidate with internship experience and hands-on practice using security tools and solving 150+ PicoCTF challenges. Familiar with SOC concepts, ethical hacking, vulnerability assessment and penetration testing (VAPT), digital forensics, Linux, and Kali Linux. Seeking opportunities in cybersecurity operations, SOC analysis, and network security.

EDUCATION

Sri Shakthi Institute of Engineering and Technology
Cybersecurity course (in progress) | 2024–2028 | Current GPA: 7.7

Syed Ammal Higher Secondary School
Higher Secondary | 2023–2024 | 77.17%

MGR Matric Higher Secondary School, Ramanathapuram
SSLC | 2021–2022 | 66%

TECHNICAL SKILLS

- **Cybersecurity:** SOC concepts, ethical hacking, VAPT, digital forensics
- **Networking & security tools:** Wireshark, Nmap, Burp Suite
- **Forensics:** Autopsy (intermediate)
- **Operating systems:** Linux, Kali Linux
- **Programming:** Python, Java (basic)
- **Version control:** Git, GitHub

PROJECTS

- **Medical Prescription Encryption**
  Focuses on encrypting medical prescription data to help protect the confidentiality of sensitive health information.
- **API Attack Detection and Prevention**
  Focuses on identifying API attacks and applying preventive controls to strengthen API security.
- **SOC Analyst AI Chatbot (ongoing) —** AI-powered assistant for alert triage and security recommendations, designed to automate analyst workflows.

INTERNSHIP EXPERIENCE

- **Cybersecurity Intern —** BCBuzz
- **Cybersecurity Intern —** SkillCraft Technology
- **Cybersecurity Intern —** CodeAlpha

ACHIEVEMENTS

- **1st Place —** Mirage CTF, Amrita Vishwa Vidyapeetham, Chennai
- **2nd Place —** HACKNEXT ’26 Hackathon, SNS College, Coimbatore
- **Selected as one of the top 30 teams** at Lunar CTF, Kerala
- **Solved 150+ PicoCTF challenges —** CyLab Academy

CERTIFICATIONS & ADDITIONAL INTERESTS

Internship certificates: BCBuzz, Prodigy Infotech, SkillCraft Technology, and CodeAlpha.
Languages: English, Tamil
Areas of interest: SOC analysis, threat hunting, incident response, digital forensics, ethical hacking, VAPT, networking, and DevOps.
